I'm reviewing the hard copy now, but will we need to put the memo on RA letterhead?

Here is latest draft. But a hard copy is routing to Water Division now... trying to get all comments and edits now in anticipation of a short turn around.

Hi Rich,

Can you send me the latest version of this memo? Jason would like me to send it to Jane.

Thanks,
Melissa

Jason,

Thanks for the comments. I think the format will end up being memo format. I've changed the margins, formatting a bit to begin conforming to epa style manual, and made some edits. [REDACTED]
